

Summer Math Review

Welcome to Mrs. Burns's 5th Grade Math!

Our summer math review will be web based this summer. Please visit classroom.google.com and log into your holyroary.edu account. Find the "+" in the top right-hand corner and click on it. You will be asked for a class code to join our class.

Our class code is **d828f4g**. Click "Join" and you are in!

You will find specific instructions to our summer review work. Five posts will be due by June 30th. I will assess how our first assignment goes and will likely assign a very similar, second assignment due by August 5th.

I realize this is a different way to review over the summer. If you run into any problems or have questions, have your parents email me at burnsj@holyroary.edu

Thanks! Happy Summer!! Looking forward to having you in class in the fall!!!
