Hello Parents of Holy Rosary Academy:

This school year, we will be partnering with Holy Rosary Academy, providing a program that will help students who need additional support with their academics. If help is needed, or if your child simply wants to boost his or her confidence and academic grades, then please consider the services from the Hermitage Learning Center.

Tutoring sessions are held directly on the HRA campus but can also be scheduled at the Hermitage Learning Center after school hours.

We have found that it is more beneficial, when a student is struggling, for the student to learn the material as the class progresses, rather than trying to catch up on the work.

The services of the Hermitage Learning Center:

- One on one tutoring
- Direct communication and coordination with the teacher
- Tutoring in Mathematics, History, English, Literature, Religion and the Sciences
- Fees are $40 an hour/week

If you would like to schedule an appointment please contact us at 615-874-1400, or email us at tutoryou@comcast.net.
